

ASB Membership Means Good Business

Employee membership in ASB is win-win!

- Gain exposure with current and new clients by sending representatives to BakingTech.
- Gain access to speaking opportunities in order to share company expertise.
- Support the overall growth of the industry.

Employees of companies supporting ASB membership have greater opportunities to:

- Network with a large and diverse circle of industry professionals.
- Learn about current grain-based food trends.
- Gain a greater understanding of the industry from numerous experts.
- Guide the future of wholesale baking by volunteering on important technical and governance committees.
